Present:

# The Nuts & Bolts of SWE

## And its New Web Interfaces

- Who:** All Women Engineers in Madison –*Please pass this along to other women engineers in the Madison area*
- What:** An opportunity for women engineers in Madison to learn more about the many facets of the SWE organization: its purpose, its functions from local to international, its opportunities and member benefits, its electronic communications. Betty Leonhard, SWE Leadership Coach will give a half hour presentation followed by a brief online tour of the new SWE webs pages and *My SWE Communities*.
- When:** Wednesday, March 25<sup>th</sup> 2009  
Noon – 1:00 PM
- Where:** Mead & Hunt, Inc.  
[6501 Watts Road](#),  
Madison, Wisconsin  
608-273-6380
- Free:** Light lunch sponsored by Mead & Hunt
- RSVP:** By Friday, March 16th to Betty Leonhard at [betty.leonhard@swe.org](mailto:betty.leonhard@swe.org) or 920-344-2344

### *Driving directions*

Take US Hwy 12/14 to Gammon Road, Exit 255.

Go South 2 blocks to Watts Rd.

Head East on Watts past Woodmans to M&H, building is on right.

### *Parking and facility instructions*

You are welcome to find parking in the lot at the back of the building.

Street parking is also available in front of the building. Entering the building from the parking lot or street, you will find the reception area in the center of the building. Stop by the receptionist to get directions to the luncheon.
