Girls + Math + Science = Opportunities Conference

GMSO is a one-day conference for middle school girls designed to encourage them to pursue math and science as career options. The conference provides opportunities to develop academic and creative skills through interaction with other girls and women in math and science professions.

When: Saturday, November 7, 2009

Where: Moraine Park Technical College
Fond du Lac, WI

Cost: FREE – Lunch and T-shirt Included

Itinerary:	8:45-9:00 AM	Registration
	9:40-10:40 AM	Session #1
	10:55-11:55 AM	Session #2
	12:00-1:00 PM	Lunch
	1:10-2:10 PM	Session #3

Details: SWE-WI members will be presenting the Radioactive Ping activity in which the girls will design ways to transport “radioactive” material from one location to another. You can volunteer for one or all three of the sessions. Contact Jill to volunteer and she will email you a copy of the activity details in advance.
