

SWE-WI Gift Wrapping Fundraiser at Barnes and Noble

Love to wrap gifts? Or, just get into the holiday spirit by volunteering an hour of your time? SWE will be wrapping gifts for an evening at Barnes and Noble. All donations collected will go toward our SWE-WI scholarship fund. The plan is to have 1-hour shifts. You can volunteer for as many shifts as you like. Feel free to bring friends and/or family members who may like to help or just enjoy the fun. Don't worry if your wrapping skills aren't at the same level as your engineering skills. People who will visit with customers and tell them about SWE are needed too!

What: Wrap gifts at Barnes and Noble. All donations will go to our SWE-WI scholarship fund.

Who: Anyone! Bring friends and/or family. No need to have gift wrapping skills. We need people to socialize with customers too.
