

An Evening With Senator Ron Johnson

Come to this joint event with the Society Of Plastics Engineers (SPE) Milwaukee Section. Senator Ron Johnson will discuss his observations as a Wisconsin Representative in the United States Senate and his experiences with the plastics industry as the owner of Pacur, a company in Oshkosh, WI. Pacur is an ISO 9001 Certified custom sheet extruder that specializes in the extrusion of light and heavy gauge polyester, copolyester and polypropylene resins for a variety of applications.
