
Caterpillar Plant Tour

Come with SWE-WI for a tour of the Caterpillar Global Mining facility in South Milwaukee, and then browse the Heritage Museum followed by dinner.

The Caterpillar South Milwaukee facility was formerly Bucyrus. It houses the design and manufacture of surface (above-ground) mining equipment including Walking Draglines, Electric Mining Shovels, and Drills.

Date: Thursday, October 20, 2011

Time: 5:30 – 7:30 PM

Where: Caterpillar's South Milwaukee campus – Heritage Building
1970 10th Avenue
South Milwaukee, WI 53172

Cost: \$15 for members (to cover food, drinks, dessert)
\$20 for nonmembers

RSVP: Before **October 14th**, to Heidi Balestrieri: heidi.balestrieri@cat.com or 414-218-7985 (mobile)
Visitor safety guidelines will be sent to RSVP'd members.

The Caterpillar parking lot is available for parking, and is located off of 10th Avenue.
Enter the Heritage building by the signs for the Museum.
